About Yogurt Escape:

Created by San Diego natives John, Kevin and Scott Quan, Yogurt Escape self-serve offers 15 premium rotating non-fat and low-fat frozen yogurt options and over 30 toppings. Yogurt Escape gives the customer complete control. Our guests try the yogurt flavors, and once they decide the flavors they like, they mix and match the flavors and toppings to their hearts' content, hence our motto "You Serve. You Eat." With over 30 toppings, the possibilities are endless, with a wide variety ranging from granola, cereals and fresh fruit, to all kinds of candies, sprinkles and specialty sauces such as white chocolate and caramel. Once the creation is finished, customers pay just 39 cents an ounce no matter what is in their cup. The perfect Escape!

Yogurt Escape has a second location at 6171 Mission Gorge Rd. , where you can choose from 18 different yogurt options and over 40 toppings daily.
